

NEW Q3 2011 Form41 Financials and Traffic

January 13, 2012

Dear Form41 Financial Customers,

The enclosed Form 41 CD includes new Q3 2011 Financials and T-2 traffic data as well as T1 monthly traffic statistics through October 2011. There are also several revisions that have been filed for previous quarters, so please review the list below of affected carriers. Many of the revisions were for changes to aircraft days.

Missing Data

We did not receive financials for **Amerijet International (M6) for Q3 2011**.

REMINDER ABOUT AVAILABILITY OF Q4 2011 FINANCIALS

As you may recall, the filing deadline for Form 41 Q4 is March 31st. The USDOT will not send the data to us until May, so look for the Fourth Quarter financials to be available around May 11th. Hopefully, the USDOT will have resolved all their issues with the new reporting format by then, and we will be able to deliver the data to you at the scheduled time.

Please return the previous version CD in the enclosed mailer.

Sincerely,

Lucretia Frederich
